

# NOTES FOR CANDIDATES WISHING TO APPLY TO BECOME A BCU LEADER

April 2012

## Introduction

BCU Leadership Award training can be accessed by anyone wishing to gain leadership knowledge or experience and holding the necessary training pre-requisites. The BCU Leadership awards are NOT coaching awards and are not suitable for introducing beginners to the sport.

Anyone intending to become a BCU Leader will be required to centrally register with a BCU Awarding Delivery Centre (Canoe England, Canoe Wales, Scottish Canoe Association (SCA), Canoe Association of Northern Ireland (CANI)) **before assessment. Unlike the coaching awards, Candidates are not required to register prior to training for leadership awards.**

Registration will be required at each leadership level.

The registration process verifies that the candidate holds the appropriate pre-requisites for assessment. See the separate list of registration prerequisites.

- Candidates residing in England and having an English postal address will register with the Canoe England Coaching office.
- Candidates residing in Wales and having a Welsh postal address will register with Canoe Wales.
- Candidates residing in Northern Ireland and having a Northern Ireland postal address will register with CANI.
- Candidates residing in Scotland and having a Scottish postal address will register with the SCA.
- Candidates residing in North America (USA/Canada/Mexico) will register with BCU North America. Candidates from elsewhere overseas wishing to register will need to do so through BCU Awarding in Nottingham.

See back page of this document for address details.

While initial registration should take place with the Coaches Home Nation Association, they are at liberty to take up courses outside of the association area.

Candidates who are not members of an association when registering are not required to become members, but instead pay an increased registration fee. Candidates are encouraged to join their Home Nation to take full advantage of the benefits including third party liability insurance for comprehensive members.

On receipt of registration forms the Home Nation Association office will, if all prerequisite requirements are met, authorise candidates to progress to a suitable

The registration is valid for a period of 12 months.

## **Prerequisites**

In order to register to attend an assessment towards a leadership qualification it is necessary to meet specific prerequisites. See document "BCU Coach and Leadership Registration Prerequisites" or the course syllabus - both available from the BCU or Home Nation Association Websites.

BCU Regional Coaching Organisers (RCOs) and Local Coaching Organisers (LCOs) can put the enquirer in touch with a local Training Director or Assessment Director. Details can again be found on the BCU and Home Nation Websites.

## **ASSESSMENT**

The content, structure and timing of 4 and 5 star leader assessments are detailed in the course syllabus.

Candidates whose assessment is unsuccessful may be able to extend their trainee status via an agreed action plan, agreed between themselves and their assessor at the time of assessment.

## **FEES**

**Members = £12** – For current BCU (and Home Nation) comprehensive members, the fee for Leadership Registration is £12 and includes the administration cost, and certification following successful completion of the course.

**Non-members = £25**

Candidates who wish to apply for membership at the time of registering and benefit from the member rate can do so by completing a membership form and enclosing the current membership fee and registration fee together.
